

REMARKS/ARGUMENTS

1.) Claim Amendments

Claims 3, 5-12, 15-22 and 24-29 have been cancelled. Applicant respectfully submits no new matter has been added. Accordingly, Claims 1-2, 4, 13-14, 23 and 30 are pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

2.) Examiner Objections – Drawings

The Drawings were objected to because in Figure 1-5, hand written notes were not clear. In response, the Applicant is submitting "formal" replacement sheets. The Examiner's approval of these drawings is respectfully requested.

3.) Claim Rejections – 35 U.S.C. § 103 (a)

The Examiner rejected claims 25-30 under 35 U.S.C. § 103(a) as being unpatentable over Chan (US 5,850,445) in view of Bugnon (US 6,397,056). In order to expedite allowance of this application, the Applicant has canceled the claims 25-29 without prejudice. Therefore, this rejection with respect to these claims is deemed to be moot. The Applicant also respectfully submits that claim 30 depends on now allowable independent Claim 1 and is further allowable therefrom. The Examiner's favorable reconsideration is respectfully requested.

4.) Allowable Subject Matter

The Applicant gratefully acknowledges the allowance of claims 1-2, 4 and 13-14.

CONCLUSION

In view of the foregoing remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for all pending claims.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
